## DISCLAIMER

Churchill Institute of Higher Education ("Churchill") reserves the right to assess, approve, decline, vary, suspend, or withdraw this bursary in accordance with institutional requirements. Meeting the eligibility criteria does not guarantee the bursary will be awarded. The bursary is subject to Churchill assessment and availability.

This bursary provides a 20% reduction to tuition fees only and does not apply to non-tuition charges (including but not limited to OSHC, accommodation, living expenses, textbooks, materials, visa costs, or any third-party fees). The bursary is not transferable, cannot be redeemed for cash, and cannot be exchanged for any other benefit.

Advanced standing / credit (relevant diplomas only): Credit is not automatic. Diploma graduates may be eligible for advanced standing of up to 1 year (8 subjects) only where the completed diploma is assessed by Churchill as relevant to the chosen major (Accounting, Hospitality, Information Systems, or Management). Credit is subject to Churchill assessment of prior studies (including relevance, recency, learning outcomes, and evidence provided). Churchill may approve fewer than 8 subjects or decline credit where requirements are not met. Approved credit may reduce the total subjects and tuition payable for the course.

Any reference to completing the course in "as little as 2 years" is indicative only and depends on the amount of credit approved (up to 8 subjects), the student maintaining a full-time study load, subject availability/timetabling, and satisfactory academic progress. Where less than 8 subjects of credit are approved, the course duration will be longer.

Churchill may request additional evidence to verify eligibility (including proof of Australian RTO completion and diploma relevance). If a student defers, changes course, reduces study load, withdraws, or does not meet progression requirements, Churchill may reassess eligibility and the bursary and/or approved credit may be removed.

This bursary does not guarantee admission, visa approval, employment, or migration outcomes. Students remain responsible for meeting all admission requirements and, where applicable, all student visa conditions. Tuition fees and enrolment conditions are as per the Churchill Written Agreement and relevant [Churchill policies](#).

For full bursary terms and conditions, refer to [Churchill's Scholarships and Prizes Policy](#).
